Room to Reward is a unique charity created to give something back and say '**thank you**' to volunteers who give up their time and make a difference to people and places in need. Up and down the country, there are so many people helping, caring and loving others. Our simple initiative takes a wasted asset and uses it to recognise these **Hidden Heroes**.

Room to Reward partners with hotels across the U.K who donate their anticipated **unsold rooms**. Charities and community groups then nominate their Hidden Heroes for a well-earned short break.

Over 900 hotels throughout the U.K. have joined the initiative. Collectively, they have donated in excess of £1million worth of breaks in unsold rooms to more than **2500 inspirational volunteers** from over 950 charities and community groups.

Together, we're making a little bit of a difference to those who **make a difference** to others.

*"It's an honour and privilege to volunteer, but these breaks are very special for people like myself.
Thank you."*
